Abstract Submission Guidelines

Abstract Guidelines

- The abstract should be between 250-300 words.

- It must clearly summarize the research question, methodology, key findings, and significance.

- Include 3-5 keywords that accurately represent the paper's content.

- The abstract should be written in a concise, academic style with proper terminology.

- Avoid excessive citations or unexplained abbreviations.

Format Requirements:

- Submit as a separate PDF file.

- Use Times New Roman, 12pt font, and 1.5 line spacing.

- File name should be: [LastName]_Abstract.pdf.
